

So You Think You Want to Start a Business

A Woman's Comprehensive Guide to Starting a Business

Do you have an insatiable desire to have a business of your own? Are you tired of your present work environment? Are you tired of the routine? Do you feel that you are in a rut? Do you feel that your abilities go overlooked? Do you desire a chance to make more money? If these questions sound like a description of your present station in life, then entrepreneurship may be the solution allowing you to realize many of your dreams of success.

So You Think You Want To Start A Business is a comprehensive business start-up and development guide that will equip the reader with the business knowledge and information necessary to initiate and successfully lead an entrepreneurial venture through the 21st Century. This publication, especially designed for women, presents crucial business development and management information in an easy to understand format followed by questions for the entrepreneur to address. The summarization of the answers to these questions will assist the entrepreneurially minded woman in pulling together the major components of her business. Worksheets are provided for the purpose of providing assistance in preparing a business plan. Upon the completion of the publication, the reader will have identified the specific steps to take for developing and implementing a personal entrepreneurial plan of action and will have the knowledge, information, and inspiration to become a savvy entrepreneurial leader of the 21st Century.
